SUMMARY

Media Production graduate from Universitas Indonesia with brand marketing experience at MAP Active, owning the social media workstream for Sports Station and Planet Sports Asia across Instagram and TikTok. Combines campaign execution, KOL management, and agency coordination with hands-on creative production briefs, EDM design, and motion assets, bridging strategy and output without handing off between the two. Seeking a full-time brand marketing role where campaign ownership and creative execution come together.

EDUCATION

Universitas Indonesia (2022 -2026)

Media Production Major

WORK EXPERIENCE

MAP Active

March 2026 – Present

Brand Marketing Intern

- Campaign execution. Owned the social media workstream for 3 major campaigns, covering content planning, asset design, and. Serbu Bulan Cuan Back to School (Sports Station), Mid-Year Sports (Planet Sports Asia) anchored around 5 sporting moments: World Cup, Wimbledon, HYROX, Pocari Sweat Run 2026, and Maybank Marathon, and Buy 1 Get 1 across both brands.
- KOL management. Managed 4+ KOLs end-to-end for the June regular discount campaign, covering briefing, product listing, and deliverable tracking. Mapped a tiered macro-and-micro KOL pool for the Back to School campaign.
- Campaign strategy. Authored 10+ campaign briefs and decks used as the working reference by creative and creator teams such as Buy 1 Get 1 campaign brief deck, the UGC TikTok deck for, the Salomon and ANTA creative brief, and the KOL brief for the August Sports Station monthly regular campaign.
- Designed 20+ EDM blasts across 8 promotional programs, alongside Instagram Story banners and motion assets.

OB Golf, Indonesia Women's Open (IWO) 2026

Jan 2026 – Feb 2026

Production Assistant

- Ensured all VTs were meticulously checked against the rundown, ensuring zero technical glitches during the 3-day live international tournament.
- Coordinated real-time production cues for the crew to maintain a seamless broadcast flow.
- Synchronized technical execution between editors and vMix operators, streamlining the delivery of real-time graphics and highlights during the live production.

Transvision

Jul 2025 - Nov 2025

Inhouse Production Intern

- Developed and drafted production scripts for 3+ original programs on the CubMu OTT platform, including *YOLO*, *Coolinary*, and *Seram*.
- Produced high-engagement promotional cinematic reels, managed end-to-end production logistics and creative asset distribution for major international golf tournaments:
 - Medco-Pondok Indah International Amateur Golf Championship 2024
 - Mandiri Indonesia Open 2024
 - BNI Indonesian Masters 2024
- Coordinated with on-field production teams as a runner and photographer, streamlining communication for high-profile sports events.

UI Digitalk

Mar 2023 - Nov 2023

Design Lead

- Developed a 15+ page comprehensive sponsorship proposal, translating organizational work programs into professional visual layouts, to facilitate partnership and funding acquisitions.
- Initiated the creation of a recruitment booklet, effectively communicating the organization's vision and divisional structure to streamline the 2023 staff selection process.
- Implemented cohesive Instagram branding with 20+ posts, including informative carousel designs and team introduction assets that maintained brand consistency across platforms.
- Collaborated directly with the Finance Bureau to ensure all design deliverables effectively communicated the organization's vision and strategic goals to external stakeholders.

PERSONAL BRAND PROJECT

MedEdu (TikTok Project) | Clipper

Jan 2024 - Feb 2024
